Safety Instructions

EarthPaint Decorbase is a highly washable leveling base specifically developed to prepare interior surfaces.

For use on new or previously painted interior surfaces such as plaster, cement, brick and renderings.

4L

White

Approximately 8-10m² /L (per coat)

Acrylic polymer in aqueous dispersion

UNI EN ISO 2811-1: 1.55 ± 0.05 kg/L

UNI 10560: >5000 cycles, excellent

UNI EN ISO 2813: <5, very matte

At 25°C and 65% R.H.

30 minutes

4 hours

Protect from frost and direct sunlight, the product has a shelf life of 12 months if unopened and stored in dry and cool places.

Surfaces should be thoroughly cleaned and dried prior to application. Remove all loose material and dirt, fill in defects if any with proper filler.

Apply **EarthPaint Decorbase** with brush, roller, or spray on a well-prepared substrate.

Apply one to two coats. Be sure to apply an even layer over the substrate to provide proper support for the subsequent decorative paint application.

Dilute **Decorbase** with 30-35% water for both the first and second coat.

- Stir thoroughly before use.
- Do not apply with temperature below +5°C or above +35°C.
- Do not apply when condensation or frosting is evident on the surface.
- Recommend to use opened pail quickly.

- The product is not considered as dangerous or hazardous according to the current norms. The usual precautions taken when handling chemical products are recommended.
- Contains no added lead or mercury.
- Non-flammable

WARNING

Although the information contained herein is, to the best of our knowledge and experience, true and reliable, it must be taken as merely indicative and subject to confirmation after long-term practical applications. Therefore, anyone who intends to use the product must ensure prior to usage that it is suitable for the envisaged application. In every case, the user alone is fully responsible for any consequences deriving from the use of the product. No warranty is given or implied in connection with any recommendations or suggestions made by us or our representatives as the conditions of use and any labour involved are beyond our control.

Manufactured in the EU.
