

VELLUTO

TECHNICAL SPECIFICATION

Product Description

EarthPaint Velluto is a water-based decorative finish for interiors with a special iridescent and silky effect. Easy to apply and perfectly washable.

Where to use

For use on new or previously painted interior surfaces such as plaster, cement, brick and renderings.

Finish

Smooth velvet effect

Packaging

4L

Colours

EarthPaint Colour Chart (custom colors available upon request)

Coverage

Approximately 4-6m²/L (two coats)

Storage

Protect from frost and direct sunlight, the product has a shelf life of 12 months if unopened and stored in dry and cool places.

Surface Preparation

Surfaces should be thoroughly cleaned and dried prior to application.

Remove all loose material and dirt, fill in defects if any with proper filler.

Application

Apply one coat of **EarthPaint Decorbase** with a short-bristle roll on a well-prepared substrate.

Allow **Decorbase** to dry (approximately 2-3 hours), apply a light layer of **Velluto** with a steel or plastic trowel and allow it to dry.

Apply a second coat and smooth the surface with the trowel until the desired effect is achieved.

Recommendations

- Stir thoroughly before use.
- Do not dilute with water.
- Do not paint with temperature below +4°C or above +35°C.
- Do not apply when condensation or frosting is evident on the surface.
- Do not wash the surface until after 20 days.
- Recommend to use opened paint quickly.

Safety Instructions

- The product is not considered as dangerous or hazardous according to the current EU norms. The usual precautions taken when handling chemical products are recommended.
- Contains no added lead or mercury.
- Non-flammable.

WARNING

Although the information contained herein is, to the best of our knowledge and experience, true and reliable, it must be taken as merely indicative and subject to confirmation after long-term practical applications. Therefore, anyone who intends to use the product must ensure prior to usage that it is suitable for the envisaged application. In every case, the user alone is fully responsible for any consequences deriving from the use of the product. No warranty is given or implied in connection with any recommendations or suggestions made by us or our representatives as the conditions of use and any labour involved are beyond our control.

Manufactured in the EU.
